BANG

Synthetic Hair

Thanks to our Bang hair pieces you may have a wonderful pony without having to cut your own hair. Have a long pony or cut it short – suited to your style. The hair piece can be sewn or bonded. The perfect last touch for your hairstyle or in order to conceal braids or extensions.

Crown

Synthetic Hair

Crown hair pieces are perfect to add volume to thinning hair. Your own hair can be pulled through the piece if required. You can stick on the hairpiece or sew it on your own hair. Crown hair pieces are the perfect finish for your hairstyle or to hide your weavings or extensions. Add colour texture to create highlights.

FUTURA HAIR Synthetic Hair

Futura Hair is the first heat resistant fibre that is also fireretardant. Wash it, condition it and dry it like your own hair. Your Futura hair is incredibly rich in variety. Change your appearance and look gorgeous without changing the hair. You can use hair-dryers, curling irons and flat irons.
